Report:	- Updates to website underway. Minutes except May (under review) now up-to-date I'm still having a look at the best way to restructure Dropbox (if necessary) e.g. is it necessary to preserve editable copies of minutes files/reports that are confirmed and published as .pdf. Request that anyone who has filed documents in Upcoming for review in motions files them in the relevant folders afterwards. Same for updated drafts Investigated Stormhold rapier practise lease as another business was said to be using the hall at the same time and splitting the cost with us. They are not. Waiting for paperwork to confirm ASIC annual review is due soon. Notification was received on Sunday 4 Dec.			

- Following up on Colleges affiliation project while students are on university break/not so pressured by studies. Two recruits so far, two more to ask. I am looking for suggestions. The Combined Colleges Facebook group looks like the best communication channel. Face-to-face meetings suggested for Festival 2017, ICW 2017, and Festival 2018.

MOTION: To create a 'SCA Colleges Australia' folder in Dropbox that the Colleges working group can access and edit to store relevant documents to the affiliation project.

### A. Chair's Report

With only three weeks since our last meeting, there is little new to report.

A Workplace, Health and Safety Policy is under discussion.

A new Nominated Caregivers form is being readied to be sent to the insurers for approval, enabling parents and guardians to complete a form that does not expire after one event.

The new Financial Policy is ready for approval and launching. We hope that the Reeves and Seneschals will find this a useful and detailed resource to assist with policy implementation.

In service,

Michele Le Bas, Chair, SCA Ltd.

(TH Lady Yvonne de Plumetot)
