

Board nominations

Rhys Howitt

I am a project manager and business analyst. I have the Company Directors Diploma of the Australian Institute of Company Directors, and have been the Director of my own consulting company for around 20 years. I have retired, though currently working in a project manager role until the end of June 2025.

In the SCA, I am about to complete my term as Reeve of Politarchopolis and am a member of the Crux heraldry staff. I have been Seneschal of Polit and Torlyon amongst many other offices, and had a three-year term as Chancellor of the Exchequer. I have the Order of the Pelican as well as an Augmentation of Arms for my work as Exchequer.

I have been on the boards of many community groups, a recent one being the Goulburn Club, a registered club with a community arts theme, where I was the President for some years and was made a life member for my work in turning around the club's financial position.

Simon Miller

My name is Simon Miller, known in the SCA as Semeon Alexsandrovitch Dragon and I wish to nominate for the position of member of the Australian Board of Directors for the SCA.

I am a resident of Politarchopolis and have been a member of the SCA for 33 years. I am a former BoD member and have held several offices at the Baronial level including the office of Seneschal. I am also the current Kingdom complaints investigator for Lochac, answering to the Lochac Seneschal.

I believe my extensive SCA experience both in and out of game, as well as my previous BoD experience, make me a good fit for the role.
