

Tegan Brinkman (Lady Genevieve Blackwolf, of Innilgard)

I have been a member of the Innilgard barony since I started with re-enactment in earnest in the mid 2010s. The kind and entertaining characters have kept me enjoying the SCA as a whole more so than other specialised groups. This is why I feel as though I can use my skills and knowledge to help keep this organisation continuing to be a place of kindness and social inclusion, as it has been for many decades, in any way I can.

I've been on the Legio XII Fulminata for about 2 years, Eastway Vikings secretary since 2020, temporary secretary for the Peterborough art prize for a couple of months, and have used my diploma in business to do consultancy along with my degree in archaeology which requires knowledge in heritage laws and how to read legislation. I've also participated in youth parliament a couple of times in high school so I know about writing legislation.

Tam Hovenga (Lord Tomas van den Hove, of Stormhold)

I am Lord Tomas van den Hove and I would like to formally continue on the board of directors for the SCA, as well as step into the role of treasurer.

I am a second generation SCAdian, and have been involved for 30 years. In the last 10 I have been heavily involved, and have run many of the events in the Barony of Stormhold during this time, as well as holding the office of Reeve from 2016-2018.

Anthony Swallow (THL Jochen Schwalbe, of Adora)

I started playing SCA over 20 years ago, with a break of about 5 years in the middle. In my time in the SCA I have held a number of local group officer positions including Seneschal, Marshal and Reeve. I have also Served as the Kingdom Archery Officer. I have been heavily involved in recruitment and growth "at the coalface" with introducing new people to the SCA and new group formation. I am probably most well known as an enthusiastic and capable combat archer.

In my Mundane life I am a husband to Clare Elliott (Astrid in Valsgardska) and father to two children. I work at the local council as the Works Manager. From my work I have a sound understanding of governance, procedure, policy and risk.

I have no particular ambition for the BoD beyond serving the SCA.

Things that I am passionate about include the following:

- Equality within the SCA (which I believe we do reasonably well).
- Ensuring that the SCA is a safe place for minorities ie, racial, religious and LGBT.
- The expansion of the SCA as a whole, including recruitment and retention of new members, as well as growth of groups.
- The establishment of a peerage recognising those combat arts that are not yet recognised at a peerage level (Order of Valiance)
